RE: Position Description

Greetings in the name of Christ our Lord!

The Core Leadership Team is looking to call an individual to the position of DISTRICT CHILDREN/YOUTH MINISTRIES COORDINATOR. The need for this position was discussed by the Camp Harmony Board and the District Leadership Team, prior to the formation and approval of the Children, Youth & Outdoor Ministry Team by District Conference. The District Core Leadership Team has approved a Position Description for an emerging ministry need within the district. The position will be filled as soon as interviews are conducted and the person is interviewed and approved by the Core Leadership Team.

This position, in part, will be to spend some time in district leadership development and resourcing. But the most time and effort will be expended working closely with the Program Director of Camp Harmony to provide a wide range of programs for children and youth in the Western PA District. The person called to this position must be willing and able to work in collaboration with others to develop programs and provide leadership in implementation of the programs developed. A person with a passion and desire to be in ministry to youth and children should consider this position.

Please share this information with your congregation. If a person is interested in applying for the position they should call, write, or email the district office for the Position Description. Along with the Position Description, applicants will receive an Application and Background Check Form to be completed before an interview is considered.

Deadline for receiving applications is March 1, 2008.
