I want to highlight several items in this reminder. First, I received a note (with a signature) and the PSSSA e-Herald Newsletter enclosed. The e-note written by the Executive Director, Rodney L. Pry, was talking about the drop in Sunday school attendance in the past few years. He shared about spiritual renewal and what needs to take place for that to happen. Pry said, “…spiritual renewal will not just magically happen. It will take work and a genuine commitment by each of our members. “Reading our Bibles, praying and developing closer relationships with other Christians is also valuable. “Don’t let anyone tell you that Sunday school isn’t important. In the world in which we live today, having a faith grounded in God’s Word is more important than ever.” Pry suggests “spiritual renewal is an important first step.” If you want to read more helpful comments go online and read at: office@psssa.org

I found the information shared in Pry’s article valuable and one comment made an important point. “Don’t get totally hung up on attendance numbers. Growth in the spiritual levels and quality of our students is also of major importance.” It is valuable to learn, grow and be challenged by God’s Word as we study, pray and learn together God’s will for our spiritual journey.

*COMMERCIAL #1: The PSSSA has developed placemats which can be used when having a church meal. “Are You Smarter Than A Sunday School 5th Grader?” What an interesting way to help persons challenge each other and gain some new insight into the Bible while enjoying a fellowship meal. These can be ordered by calling: 717-652-1930, or using the web page address above.

**COMMERCIAL #2: Twenty congregations are involved in doing what Pry suggests, reading the same scriptures and praying daily. These congregations are involved in The Springs of Living Water initiative. A workshop and planning meeting is being held on Saturday, April 16, at Camp Harmony, led by David Young. If your congregation is not currently involved, plan to attend and hear how this initiative has impacted a number of congregations in the district. Just call the district office to let us know how many are coming so lunch can be provided.

***COMMERCIAL #3: Another event coming up in the near future is a new way of doing Sunday school. This workshop, designed for teachers and other church leaders will be led by Amelia Derr. Amelia will highlight some benefits from this approach, and then participants will get hands-on experience by going through the process. From the success that several congregations have experienced from this style of teaching, it will be worth the effort to attend this workshop being held in the Conemaugh Church of the Brethren.

****Commercial #3: Pastors who attend the Springs Workshop at Camp Harmony will earn .5 CEU credits. Those attending the Training Event at the Conemaugh Church will earn .3 CEU credits.

I’m writing the first evening after Ash Wednesday. The beginning of the Lenten Season allows us to focus on our journey with Christ to the Cross. Let’s take a few extra minutes each day to reflect on our faith and how we might share it during this important season in the Christian year. RDB

HONDURAS WORK CAMP

Ten members from the Center Hill Church of the Brethren traveled to Honduras from January 29 through February 6, 2011 for a mission trip. Rebekah Baum, Pastor Wes Berkebile, Mardell Blose, Cheryl Bowser, Kim Bowser, Tricia Foster, Angie Ishman, Damian Ishman, Lori Jackson and Kristina Peters, along with Bill and Rona Hemminger.

We stayed at Hogar de Ninos Emanuel Children’s Home, where we worked on many cleaning projects, replaced electrical covers, painted the girls dorm rooms, repaired the chicken coop, and the swing sets. We were also able to spend time with the children, helping them to paint t-shirts, make individual quilt patches, and we helped each child to make a personalized stepping stone to be used on the grounds. We sized donated tennis shoes for each child to use for their gym classes in school and provided a new uniform to each child with donations provided by church contributions. We also enjoyed hosting a luncheon for all of the staff members at the home.

The girl pictured with us is Sandra. Center Hill has been actively sponsoring Sandra, and it was so nice to be able to meet her in person. In addition, almost everyone in our group left Honduras signed up to sponsor their own child.

We are living proof that YOU can work for the Glory of God and still have fun, and boy did we have fun! We came home with so many great stories, experiences and memories and as a group we now share a special bond. We all definitely stepped out of our comfort zone here in Center Hill and traveling to Honduras to serve on this mission trip, but it was SO rewarding. These children gave us so much more than anything we did for them.

God has given us all gifts that we can use to help fulfill the Great Commission. We are to go, whether it is next door or to another country and make disciples.

We urge you to step out of your comfort zone and travel on a mission trip. If you can't go, sponsor a child, if you can't sponsor, give a gift of money. Do whatever you can and always remember to keep the home, the directors, the staff and especially the children in your prayers.

This is OUR home. These are OUR children. It is time for all of us to get out of our comfort zone and let God work in us and through us. You definitely will be blessed.

~In His service,

Kristina Peters

**Sisters in Christ**

invites you to an event

**May 12, 2011**

at 6:45 p.m. at the

*Maple Spring Church of the Brethren*

106 Spring Rd Hollsopple PA.

Our guest speaker will be *Luella Krieger* who will portray the new testament character "Martha of Bethany."

Martha will tell you about her "children," Mary and Lazarus. Oh no, she's not their mother. She is their sister, but she has been taking care of them so many years in so many ways that she thinks of them as her children. She will help you to know the deep thinking of her sister Mary, the one who could sit idle for hours just thinking!!! She will also tell you about her fun loving brother, Lazarus, who is so full of life and so friendly that he greets everyone who passes through town and usually invites them home for dinner. She will tell you of their friend, the Rabbi from Nazareth, the one called Jesus. You will hear her talk of the grief of Lazarus' death and the joy of his restoration to life by the one she has just suddenly realized is the Messiah. You will go with her to Jerusalem for the Passover and experience the terrible death of their friend at the hands of the jealous Jewish leaders. She will tell you of the overwhelming joy of His resurrection and will share the teachings of his last days with you and invite you to choose the better part by sitting at His feet, looking into His eyes, and listening to His heart.

Come and enjoy an inspirational evening with Luella Krieger.

One of my least favorite things to think about is death.

Oh, sometimes I’ll think about the kind of funeral I want and the songs I want people to sing and the message I want people to hear, but that seems so far off and unreal that it doesn’t really seem like death to me. I’m still young enough to feel invincible. At least I think I’m that young. Dan keeps talking about term life insurance...

The reality is that my body could die at any time. I could contract an illness or condition, and die a long, slow, painful death. I could suffer from a stroke or have an undetected aneurysm burst in my body. I could suffer an immediate trauma and die in an instant. Even at 27 years old, I am vulnerable to death – departure from this physical home.

Death is not something that comes naturally to us. There’s a reason why it always feels so surreal and unbelievable. There’s a reason why we don’t want to think about it or talk about it. The truth is, we were built for eternal living. Adam and Eve were built to last – not just a few hundred years on earth like they did – but they were built to live forever. God loved His creation and pronounced it very good – His will was not to see it suffer and die.

But as we know, God’s perfect creation was corrupted, sullied. Sin entered the world, and with it, death. Imagine Eve’s terror as she touched Abel’s cold, stiff body. As far as we know, no other human being had ever died before him. Perhaps she understood the death of an animal, but her son? Her own flesh? It couldn’t possibly be true. And this is how we still feel, no matter how many funerals we’ve sat through. Dead? It just can’t be.

For centuries after Eden, humanity feared and vilified death. Death would steal loved ones in the night. Death would sweep through villages with unseen microbes. Death was in the water, in the fire, and in the spear. It could not be escaped, bought, or placated. It came when expected and when unexpected – to the young, to the old. And just as no one could still the march of time, so no one was able to stop the sequence of death.

No one, that is, until one solitary Nazarene came onto the scene.

He used wit and compassion to save a woman from certain execution and give her a new life. “Woman, where are those accusers of yours? Has no one condemned you? Then neither do I condemn you; go and sin no more.”

He took the hand of a dead twelve-year-old and said “Little girl, arise,” and her spirit re-entered her body.

He said things like “I AM the Resurrection and the Life,” then He returned a pulse to a dead guy named Lazarus.

He predicted His own death many times – and like us, His friends didn’t believe it. Didn’t want to believe, or couldn’t wrap their minds around it. And when this horrible plot began to unfold and He finally gave up His life on a Roman cross, the hope of humanity waned. They had seen this Jesus reverse death – more than once. But now even the curse-breaker had been defeated in death. His face was bloodied and pale, and there was no life in His body.

Thank God, death didn’t have the final word.

“Now, on the first day of the week, very early in the morning, [the women] came to the tomb bringing the spices which they had prepared. But they found the stone rolled away from the tomb. Then they went in and did not find the body of the Lord Jesus. ...behold, two men stood by them in shining garments... ‘Why do you seek the living among the dead? He is not here, but is risen!’” He overcame the grave again. Once, for all.

*Hey, Church! Death is defeated – the victory is ours, through the Risen Christ!*  
**Believe it! Alleluia! Happy Easter!**

**Brethren Disaster Ministries begins planning to support CWS relief efforts in Japan.**

Brethren Disaster Ministries has begun planning to support Church World Service (CWS) and its partners in relief efforts in Japan. The powerful earthquake and tsunami that struck Japan recently also may have affected areas in the Pacific Rim where CWS has programs, and the organization is monitoring effects of the tsunami in Hawaii and other Western state coastal areas in the United States.

In Japan, Church World Service is prepared to support efforts of partners there, including the National Christian Council of Japan and the United Church of Christ of Japan, both of which are planning relief efforts. CWS is considering other partnerships in Japan as well, and may be involved in the issue of disaster risk reduction.

Roy Winter, executive director of Brethren Disaster Ministries, also said that the program will be planning to support the Voluntary Organizations of Japan providing disaster assistance. This group received training and guidance from the US based National VOAD organizations, including Brethren Disaster Ministries.

"Japan is obviously a country of substantive resources and a construction industry that is renowned and the country has been on the cutting edge of building earthquake-resistant housing," said Donna Derr, director of CWS’s development and humanitarian programs. "As such, this bodes well for them being able to manage a pretty effective recovery over time themselves. However, with devastation of this magnitude, we stand ready to assist as a determination is made of where international assistance can be most helpful."

Brethren may support this relief effort through gifts to the Emergency Disaster Fund. Give online at www.brethren.org/site/PageServer?pageName=give_emergency_disaster_fund or send donations to Emergency Disaster Fund, 1451 Dundee Ave., Elgin, IL 60120.

State Inspection:
The Department of Health conducted their annual Standard Inspection February 14th thru 17th. This inspection found 3 deficiencies that caused no harm.

1. A resident with constipation should have been on non-medication measures such as prunes, prune juice or fiber sauce to help prevent constipation.
2. One resident's Physician did not make timely visits every sixty days to see her. This Physician no longer has privileges at Church of the Brethren Home.
3. One employee’s license was not checked to determine is she was in good standing with the licensure bureau. It has been checked and she was in good standing.

We have entered our plan of correction to the Department of Health and now waiting for their acceptance.

★★★★ Rating:
After the latest round of state inspections, Home Administrator Mrs. Edie Scaletta was pleased to be notified that the Home’s Medicare/Medicaid overall rating is once again four stars. Additional information and the results for other facilities in our area are available at www.meidcare.gov.

Auxiliary News:
No matter how large or small the purchases, the Home Auxiliary is always ready to support our residents and help make their stay here at the Home as comfortable and pleasant as possible. This spring the Auxiliary is donating $3,000 towards purchasing a new steamer for the dietary department to prepare fresh food for the residents, $400 to purchase a Bariatric Med Sled for fire evacuations, and approximately $800 to purchase six lift seats for the station floors. Our thanks to everyone who supports the Auxiliary programs and fundraisers. See your Auxiliary Key Lady for information on the Stanley Fuller fundraiser going on now.

Rummage Sale:
Thank you to everyone who participated in the Rummage and Bake Sale March 3rd and 4th. The Rummage Sale raised approximately $1,600 for the Home. The Bake Sale was also a success raising $150 for the Employee Sunshine Fund. We greatly appreciate all the donations and everyone who stopped in and shopped.

THANK YOU FOR YOUR DONATIONS IN 2010 AND BECOMING ATTACHED TO THE CAMP HARMONY MINISTRY…

300 + individuals / groups became attached to the Camp Harmony ministry and Camp was able to eliminate some of the debt without taking it from the general operating funds. In fact without the additional donations, Camp would have slid back to being in desperate need. For that fact we are continuing this campaign in 2011 and we would like to invite you to again be part of this Blessed group. For $1 a week per family in the Western Pennsylvania District Church of the Brethren - the Camp Harmony ministry continues to climb out of the debt and move forward with spreading the teachings of Jesus through word and deed.

We look forward to having you be part of the 2011 FIFTY TWO TEAM. All donators will be made public unless you tell us otherwise.  THANK YOU…

At this printing 27 persons / groups are now part of the 2011 Fifty Two Team

Zahid is a happy, chubby, giggly baby boy who came to the Hogar Emanuel nursery in February 2010. When he arrived to the home he was malnourished, sick and covered in bruises. Today he is well-fed, healthy and well-loved by his caregivers, as well as all the staff and children of the home. According to his caregivers, he is quite the eater and sleeper! He has a contagious laugh and loves to be tickled! It is hard not to immediately fall in love with this little sweetie. Zahid does have a problem with his left leg. He has been to many doctors and the general consensus is that due to hereditary conditions, the left calf bone is severely bent and at the point of breaking. He will need an operation to correct the problem, but not until he is at least three years old. Despite this condition, he has learned to walk on his own with a brace on his little leg. He can also say “mama”, his own nickname, “gordo,” (or chubby), and a few other basic words. Being the only boy in the nursery, he receives a lot of attention and affection from his caregivers and visitors. Zahid is a smiley, calm, even-keeled little guy and very lovable. Please keep Zahid in your prayers this month.

FOUR MORE BOYS at Hogar Emanuel!

If God has been tugging at your heart to begin sponsoring a child, four more little boys under the age of seven will join the family at el hogar and be given a new opportunity at life. Their entry to the home was delayed until they cleared up from a case of chicken pox, but they are to arrive at the home this week. Please contact me if you are able to help with one of these little guys so we can get a sponsorship packet with his name, a picture, and some information on the child sponsorship program out to you. We encourage each sponsor to pledge a minimum of $25 per month to be used for providing for the basic needs of the children.

PRAISE THE LORD! With your financial help, the Home is excited to receive a new Nissan fifteen-passenger van from the Western Pennsylvania District Church of the Brethren Mission Program. This van will be used at times when the pick-up truck is too small or when it doesn’t make sense to run the much larger thirty-two passenger bus. What a blessing!

The children want to thank the Damascus High School from Maryland for another visit.

FOUR MORE BOYS at Hogar Emanuel!

This school raised funds for the home, and in addition provided each child a new outfit of clothing. This is the third time this school has shared their love with the Home. They come with a medical team who perform gall bladder surgeries once a year for Honduran patients. THANKS to both the medical team and the students who reach out to help the people of Honduras!

The Star Employee for this month is Karina. Karina has an associate’s degree in Development and Social Intervention and has been the daytime educator for our preschool boys for the past three years. She also is the tutor for the children who are now in third grade. She started with this group when they were in they were in preschool and states that her goal is to see them through high school. Her group of pupils consistently receives high grades. She spends her days off continuing her studies in a local university, working towards her BA in Education. She also is active in her church, serving as the secretary, youth leader, and also leads a group dedicated to evangelizing. She lives with her mother and one of her younger brothers just outside of San Pedro Sula. Please pray for Karina and her family.

“He who is kind to the poor lends to the Lord, and he will reward him for what he has done.” Proverbs 19:17
